Residual Solvent	No solvents used.
Colorants	In accordance with Article 14c of the EU Cosmetics Regulation no colorants were used or added during production.
Nanomaterials	In accordance with EU Cosmetics Regulation, this product does not contain nanomaterials nor have any been used or added during production.
BSE / TSE	We hereby guarantee that this product does not constitute any health hazard in connection with B.S.E. / T.S.E. The basis of this claim is that the material concerned does not derive from animal origin and neither the producer nor Essential Oils Direct Ltd use any extracts of animal (cattle, sheep, goat etc.) origin in the manufacture of this product and indeed do not have on site any such products for any purpose and further that the plant on which production is carried out does not have contact of any type with products of such origin.

GMO EC Regulations 1829/2003 & 1830/2003	No material of GM origin has been used at any stage of the production of this product.
Gluten Free	We hereby state and certify that this product does not contain any gluten.
Vegetarian	This material is suitable for Vegetarians.
Vegan	This material is suitable for Vegans.
Halal	This material is not certified Halal.
Kosher	This material is not certified Kosher.
Heavy Metals	Not tested routinely, but historic testing has shown results to be well within EU limits.
Animal Testing	<p>We hereby certify that this product has not been tested on animals either by us or by the producer or anyone else in the supply chain.</p> <p>“Has not been tested” means that we have not tested ourselves nor has any third party been commissioned to test on our behalf. Reference to any testing in literature to which we associate directly or indirectly is based on reported industry data in the public domain and does not indicate any animal testing associated to this source of this ingredient.</p> <p>This statement applies to all common cut off periods in force in the cosmetics industry and specifically a period not less than 15 years lapsed from date of this statement.</p> <p>We further declare that this material does not derive from animal source nor have animal products been used in its manufacture. Furthermore animal products do not form part of the product range handled or processed on the plant / equipment producing this item.</p>
Californian Proposition 65	Contains beta-Myrcene / Myrcene which is listed on the Proposition 65 list.
Microbiology	Due to the nature of this product (waterless system) – no microbiological activity will be present in the oil.
Regulation 1333/2008 Food Use	Conforms to Regulation 1333/2008 and is suitable for food flavouring use, subject to all the usual formulation considerations.
Regulation EC 1223/2009	We hereby confirm that this material is acceptable for use in cosmetic applications governed by Cosmetic Regulation EC 1223/2009. We further confirm this material does not contain any components indicated as prohibited and any components listed as restricted will be indicated on the corresponding Cosmetic Allergens Declaration or IFRA certificate.
UV Filter	In accordance with Article 14e of the EU Cosmetics Regulation no UV filters have been used or added in the course of production.
Cruelty Free	To the best of our knowledge there are no instances of cruelty to animals that take place during the manufacture of this material.
Palm Free	We confirm this material is free from Palm Oil and Palm Oil derivatives.
Additional Information	None
